and

College of Economics, Hue University, the Socialist Republic of Vietnam

In order to promote further cooperation between Greece and the Socialist Republic of Vietnam, Technological Educational Institute of Central Macedonia and College of Economics, Hue University, join in the following agreement on academic cooperation.

The two universities will endeavor to cooperate in teaching and research in areas of mutual interest.

To the extent feasible both universities will encourage contact and cooperation between their faculty members, departments, and research institutions, and pursue *inter alia* the following forms of cooperation:

1. Visits of staff to deliver lectures, hold seminars and discussions, teach courses, conduct research and supervise student studies;
2. Visits of students to attend courses and carry out studies;
3. Joint development of curricula and other teaching programs; and
4. Collaboration of faculties and students in research projects.

Other themes of joint activities and the conditions for utilizing results achieved and arrangements for specific visits, exchanges, and other forms of cooperation will be developed mutually for each specific case.

Both parties understand that all financial undertakings relating to activities will be separately negotiated and subject to specific contracts.

Hereupon the signatures of the representatives of both universities will follow in the hope of promoting mutual friendship and cooperation. This agreement will remain in effect for a period of three years and can be terminated by either party giving at least ninety days notice to the other.
